

# Firewise® Mapper quick help

Click on a icon to view map legend

Functions: print, change layers & basemap, measure, share and find a place

Click on layers to find Ready, Set, Go! members and the Fire Adapted Communities 'pilot' areas

Scroll Bar

Zoom in & out; Zooming into the state level will show Inactive Communities

Click on link to access hyperlink

For any location corrections please email: [firewisemapper@nfpa.org](mailto:firewisemapper@nfpa.org)  
Lat/long decimal degrees preferred.

Zoom to community

An alternative way to navigate is to depress the left mouse button and drag. Another way to zoom in and out is to use the mouse wheel.
